

Welcome To New Solutions In Energy

Welcome to RJT Energy. We take away the worry in energy procurement and help you make decisions that are right for your company. We specialize in National Energy Procurement and Management for Electricity and Natural Gas. Our expert team of qualified procurement specialists will help you choose the energy supplier that best fits your needs. We do all the legwork for you.

Our team has the experience and marketplace knowledge needed to accurately analyze and negotiate your energy contracts and rates.

We make the process simple and easy. We save you time, effort and money. We collect and analyze your data and negotiate the best rates and contract for your business. We will guide you through the maze of energy deregulation and help you choose the solution that best fits your budget.

Deregulated States

CT, DE, IL, MA, MD, ME, MI, MT, NJ, NH, NY, OH, OR, PA, RI, TX.

DC = Some deregulated markets

CT = Natural gas cost cannot be found lower than local provider pricing.

For our team to properly analyze and negotiate an energy contract on your behalf, please provide the following:

Company name: _____

Address: _____ City _____ State _____ Zip _____

Contact: Name _____ Title _____ Tel _____ Cell _____

Company Locations: _____

Current Energy Providers:

Natural Gas: _____ Electricity: _____

Monthly Bills: One (1) months bill for each meter. Copies of front and back of bill (all pages).

Current contract with an Energy Deregulation provider (If any).

I look forward to introducing you to a team energy specialist, who will work on your behalf to lower your energy costs. All information submitted or discussed will be kept confidential.
